

13. Teaching New Testament Letters Worksheet

Key points from the Video

New Testament letters are not that easy to teach because they are often dense with meaning and application.

Check out the Location

Understand **the context** (the people who received the letter, the place they lived in and what was going on) to understand **the message**.

See the Highlights

There are millions of hills and valleys to navigate but what are the peaks? Find the key verses that will help you get a feel for the whole argument.

Learn Some Vocab

Understand the meaning of those big Bible words!

Have a go yourself

Write down some different ideas for visual aids that could work for each passage. Then decide which combination would work best.

Bible Passage	1. Check out the Location Context: What do we know about the people, the place and the issues? What's the message?	2. See the Highlights What's the 'mountain peak' or key verse in this passage? How does it contribute to the whole letter?	3. Learn Some Vocab What technical words are there and what do they mean?
Philippians 2: 1-11			
Romans 8: 31-39
