

14. Teaching Old Testament Narrative Worksheet

Key points from the Video

Old Testament narrative is brilliant to teach and we must get the meaning right so that we point the children to biblical application. Here are 4 Rs to help you get the knowledge, meaning and application correct:

Review the history: explain the context where relevant.

Remember that we shouldn't expect what happened then to happen now.

Recognise what God is doing as part of his whole plan of salvation.

Reinforce things that point to Jesus.

Have a go yourself

Bible Passage	Review What's the context and what brief historical review would help understanding of this passage?	Remember What is God doing here at this point in history? How do we relate it to what happens now?	Recognise What is God doing here as part of his whole salvation plan?	Reinforce Is there anything here that points to Jesus?
Genesis 41-42				
1 Samuel 17
